**Non-specified Fees:**

For requests submitted where “Other” is selected under Section III, the following fee structure will be applied.

Copies (per page)	\$0.25
Mail charge (first 5 pages)	\$0.40
(additional 5-page increments)	\$0.25
Faxed copy	\$0.65
Search charge (staff time per hour)	\$25.00
Computer time (staff time per hour)	\$60.00

Copy & Search Charge Fees: The 25-cent copy charge is a per page charge which is principally assessed to reimburse the agency for routine costs of retrieving records which are requested with specificity and are held within the agency's current file system. It does not include the cost of more than one-tenth of an hour of research or access time required to determine the location of records not readily accessible, to determine what specific records meet request criteria, to segregate public from non-public information, to access records from archives and other similar necessary services. For such services in providing access or copies, the \$25 per hour search charge may be assessed, to be billed by the tenth of an hour.

Mail Charge Fee: The mail charge may be assessed in addition to the copy charge when mail service is requested. For up to and including the first five pages, 40 cents may be charged, plus an additional 25 cents for up to and including each additional five pages. If air express delivery is requested, you must provide upfront payment or an account number for this service.

Fax Fee: The Fax charge of 65 cents per page includes those services required in copying a record, in addition to domestic fax transmission costs. No additional copy charge is assessed.

Computer Time Fee: The computer time charge of \$60 per hour, also billed in tenths, is for staff time, including associated computer connect and processing time, for providing copies of records in available electronic format or for production of special computer-generated reports. The Official Custodian will be the sole judge of the ability of the agency to comply with any request for records in specific electronic format or the ability to produce any special computer-generated reports.

The agency will provide an estimate of fees to be charged prior to providing records, and where such estimate is provided, fees actually charged shall not exceed such estimate. The agency reserves the right to require any estimated charge for access to or copies of records be received before work is performed to produce the records in order to insure payment.
