## GENERAL INFORMATION

### Telecommunications Credit

K.S.A. 79-32,210 created an income tax credit for property taxes paid by telecommunication companies on property initially acquired and first placed in service after January 1, 2001 that has an assessment rate of 33%. The credit will be equal to the amount of property taxes timely paid for the difference between an assessment level of 25% and the actual assessment of 33%.

State assessed telecommunications companies are eligible for this credit.

This is a refundable credit and therefore if the available credit exceeds the tax liability for the telecommunication company for any year all additional credit will be refunded to the telecommunications company or all proper partners, owners or members of the partnership, S corporation, LLP or LLC.

### Railroad Credit

K.S.A. 79-32,206 provides a refundable tax credit against the income tax liability of a taxpayer imposed under the Kansas income tax act in an amount equal to 25% of the property tax levied for property tax year 2007, and all subsequent years, actually and timely paid during an income taxable year upon railroad machinery and equipment classified for property tax purposes pursuant to section 1 of article 11 of the Kansas constitution in subclass (3) of class 2.

### Required Information

Telecommunication companies will need a copy of Form TC-100, and Railroads will need a copy of Form RC-100 issued by the Division of Property Valuation within KDOR (Kansas Department of Revenue). Both Form TC-100 and Form RC-100 provide the amount of the tax credit available.

Forms TC-100 or RC-100, as applicable, may be needed for two separate years as the credit is only available for property taxes paid timely during the income tax year for which you are filing this credit schedule. Property taxes may be timely paid in one income tax year for property assessed in two different years.

You will need a copy of the county tax receipt(s) showing timely payment of the personal property tax. Do not enclose either the tax receipts or Form TC-100 or RC-100. They may be requested by KDOR at a later date.
