SEE INSTRUCTIONS ON REVERSE

INSTRUCTIONS FOR RETAILER'S TOTALIZER GALLONAGE READINGS (MF-90B)

This schedule(s) provides detail in support of the amount(s) as sales on line 3 of the Retailer's return.

1. Ending Reading: Enter the ending totalizer from each pump as of the last day of the month.
2. Beginning Reading: Enter the beginning totalizer reading from each pump as of the first day of the month.
3. Gallons Metered: Subtract the ending reading from the beginning reading.
4. Totals: Add the total amount of gallons metered for each fuel type.
5. Accumulate the total of all the fuel types and carry this figure forward to line 3 of the Retailer's return.

INSTRUCTIONS FOR INSTALLATION OF NEW TOTALIZER ON A PUMP

1. Indicate ("OLD") above the pump number for the readings from the old totalizer.
2. Indicate ("NEW") above the pump number for the readings from the new totalizer.
3. Attach a letter to the tax return that indicates the reason for changing the totalizer and the date the change occurred.
4. If the totalizer is broken and being repaired, please indicate what method was used to report gallons sold for the pump.
