**Subject: 2020 Legislative Summary**

---

The 2020 legislative year will be remembered by executive stay-at-home orders and a shortened session due to the COVID-19 pandemic. This year's session saw a small number of bills passed into law with only one bill making this year's legislative summary. Senate Bill 155 will fall under the broad heading of the Division of Property Valuation but will only impact two tax districts in Sedgwick and Harvey counties. There were no bills passed that would impact the Division of Vehicles for 2020.

**SB 155 – Hillside Cemetery District deannexed from Valley Center**

This bill will deannex all City of Valley Center territory within the Hillside Cemetery District located in both Sedgwick and Harvey counties effective June 30, 2020.

After July 1, 2020 territory annexed by the City of Valley Center located within the boundaries of the Hillside Cemetery District would be excluded from the Hillside Cemetery District when annexed.
