Sinkhole closes Mission motorcycle test course

TOPEKA – The motorcycle course at the Kansas Division of Vehicles' Mission driver licensing office was destroyed by a sinkhole sometime over the weekend

While the office at 6507 Johnson Drive will remain open for business motorcycle skills tests will not be available for two to three weeks while a new course is sectioned off and painted.

Motorcycle skills tests will still be available at the state's Leavenworth, Lawrence, Topeka, Olathe, and Ottawa driver licensing offices.

Customers can also handle some services online such as changing their address, checking on the status of a license or ordering a motor vehicles record at the Kansas Department of Revenue's website www.ksrevenue.org.
