Among a number of amendments, designation of the Director of Taxation and Director of Property Valuation as agency heads was provided for the purposes of administrative proceedings. The Directors of Vehicles and ABC can also be considered agency heads for purposes of the administrative proceedings.

House Bill 2365 gives the Secretary of Revenue authority to equitably resolve any assessment resulting from an audit that is pending in the Administrative Appeals Process.

Homestead

House Bill 2365 expands eligible claimants to include disabled veterans and surviving spouses of disabled veterans, which would continue to remain eligible until such time as they remarry.

Income Tax

House Bill 2365 reduces most credits claimed in 2009 and 2010 to an amount equal to the lesser of a) 90% of current and prior year credit; or b) 90% of the current year tax liability. Carryforward credits are reduced by 10%, which is not recoverable, with the exception of the High Performance Incentive Program credits and the Business and Job Development credits.

All of the reduction may be carried forward to 2011 and beyond. For credits with written approval from the Secretary of Commerce on and after June 1, 2009, taxpayers are allowed to claim the lesser of 90% of the credit earned, or 90% of the tax liability in 2009 and 2010. The 10% reduction is not recoverable.

Selected 2009 Enacted Kansas Legislation

Liquor Tax

Senate Bill 212 amends the Liquor Control Act and the Club and Drinking Establishment Act. This bill permits in-state and out-of-state wineries to directly ship wine to consumers in the State of Kansas upon obtaining a special order shipping license. It also allows for a drinking establishment to store wine on the premise which had been sold to a customer for future consumption. The bill amends the Act by allowing the governing body of any city or county to request, at any time, the Director of the Division of Alcoholic Beverage Control to hold a hearing to determine if a club or drinking establishment license should be revoked or suspended.

Property Tax

Senate Bill 98 renews the mandatory school district general fund property tax levy; amends the definition of public utility; and adds specific factors needed to be considered in the determination of fair market value for property tax purposes.

Sales Tax

House Bill 2026 retroactively validates the results of local sales tax elections held in Lyon and Rawlins counties in August 2008. Voters approved both ballot questions.

House Bill 2321 expands the definition of “political subdivision” within the sales tax law to include the Horsethief Reservoir Benefit District, effectively extending a sales tax exemption to purchases made by or on behalf of that entity.

House Bill 2324 creates the Community Investment District Act (CID). The purpose of a CID is to promote and support economic development, including tourism and cultural activities.

House Bill 2365 provides for the statute of limitations for sales and use tax refund claims be reduced from three years to one year, effective for all claims filed after June 15, 2009. This is effective for all claims filed after June 15, 2009. The bill also gives new exemptions for Goodwill Industries Easter Seals of Kansas Inc., and Goodwill Industries of Kansas, Inc., All American Beef Battalion, Inc., Sheltered Living, Inc., and Kansas Fairgrounds Foundation.

Senate Bill 404 (*from Legislative Session 2006*) In 2006, the Kansas Legislature provided an exemption for three years for cash rebates granted by a manufacturer to a purchaser or lessee of a new motor vehicle if paid directly to the retailer as a result of original sales. The exemption had a sunset date of June 30, 2009. The 2009 Legislature did not make provisions to extend the sunset date, therefore, effective July 1, 2009, all manufacturer’s rebates on new motor vehicles sold or leased in Kansas will be subject to Kansas retailers’ sales or Kansas compensating use tax.

Motor Vehicle Legislation

House Bill 2096 creates the Kansas DUI Commission and amends other existing statutes relating to driving under the influence of alcohol or drugs and DUI penalties. The Kansas DUI Commission is required to review Kansas DUI statutes, review DUI statutes in other states, review evaluation, treatment, and supervision practices, enforcement strategies, develop a legislative proposal for centralized recordkeeping, gather and assess information on all groups and committees working on DUI issues, review proposals introduced in the 2009 Legislative Session, and consider other DUI related proposals as directed by chairpersons of the standing Committees of House and Senate Judiciary, and Corrections and Juvenile Justice.

House Bill 2134 makes several changes to law regarding license plates, particularly distinctive license plates. The bill authorizes the issuance of distinctive “Support Kansas Arts” license plates. It allows specific combination of letters, numbers, or both on a plate to be assigned to only one vehicle in the state. The bill amends the definition of “disabled veteran” for eligibility for receiving a distinctive license plate. It also exempts “In God We Trust” distinctive license plates from requirements that the person or organization sponsoring a distinctive license plate submit a nonrefundable amount to defray the costs of the Division of Vehicles to develop the plate. And finally, the bill increases from \$10,000 to \$20,000 the limit

Selected 2009 Enacted Kansas Legislation

on the nonrefundable amount a person or organization sponsoring a distinctive license plate is required to submit to the Division of Vehicles.

House Bill 2143 modifies the requirements for driving permits and drivers' licenses for drivers younger than 17 years old, for those who first get a driver's permit or license after January 1, 2010.

House Bill 2147 requires the driver or owner of a vehicle involved in a noninjury, non-fatal accident to make every reasonable effort to move the vehicle out of the roadway.

House Bill 2152 defines and regulates the operation of golf carts, regulates the operation of work-site utility vehicles, amends the definitions of "all-terrain vehicle" and "micro utility truck," amends the law concerning liens on vehicles, and amends state law regarding carriers required to obtain a certificate, license, or permit from or file certain types of information with the Kansas Corporation Commission.

House Bill 2258 requires surrender of a nonrepairable vehicle certificate or title to the Division of Vehicles if a vehicle is crushed. The existing law requires surrender of a nonrepairable vehicle certificate or title only when a vehicle has been dismantled, disassembled or recycled and sold to a scrap processor for recycling. The bill also licenses and regulates vehicle crushers, vehicle recyclers, scrap metal recyclers, rebuilders, and salvage vehicle pools under the vehicle Dealers and Manufacturers Licensing Act, with these changes to the Act.

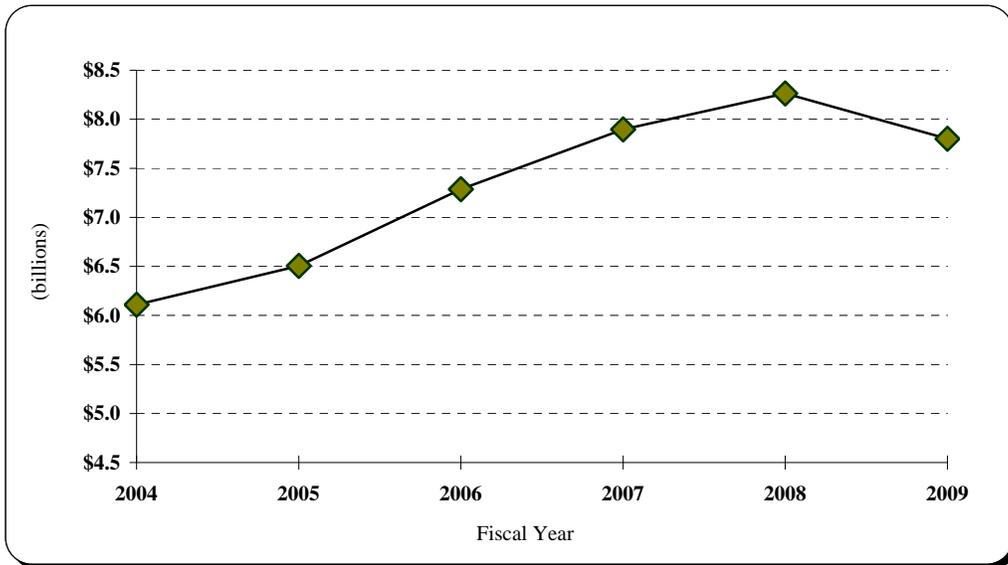

Senate Bill 158 amends the statute on failure to comply with a traffic citation to authorize, in lieu of suspension, a driver's license restriction to eligible drivers. The driver is required to submit a written request for the license restriction, along with a nonrefundable \$25 application fee, to the Division of Vehicles. The application fee is applied by the Division for additional administrative costs to implement restrictive driving privileges.

Withholding Tax

Senate Bill 97 enacts the Promoting Employment Across Kansas (PEAK) Act. The bill authorizes a diversion of employee withholding taxes under certain circumstances to "qualified" companies or third parties performing services on behalf of such companies. It allows "qualified" companies to retain 95% of Kansas Withholding Taxes for a number of years, depending upon how many employees are hired and the amount of wages that are paid. The company must relocate to Kansas an existing office, business facility or department currently located outside of Kansas.

Bingo Enforcement Tax Gross Collections

The bingo enforcement tax was enacted in 1975. Since Fiscal Year 1994, the tax collection is from "call" and "instant" bingo. The legislature authorized the tax on instant bingo at the rate of 1%, effective July 1, 1993. The 2000 Legislature changed the bingo tax to 0.2¢ per bingo face instead of the 3 percent of gross bingo income.

In Tax Year 2007, the maximum refund is \$700 and the maximum household income is \$29,100. In Tax Year 2008, the maximum refund is \$700 and the maximum household income is \$29,700.

Driver License Fee Collections by Calendar Year

Driver licenses are issued by the Division of Vehicles for the operation of motor vehicles. The Division also issues Identification Cards. During the 1997 Legislative Session, House Bill 2073 was enacted. The bill extended the license renewal cycle from four to six years for licensed drivers between the ages of 21 and 65. All fees increased to the six-year rate at the previous cost per year. This legislation is partially responsible for the Calendar year 1997, 1998, and 1999 increases. During the 2003 Legislative Session, House Bill 2192 was enacted, which increased fees across the board for drivers' licenses and identification cards resulting in a significant collections increase in Calendar Year 2004.
