Application for Licensure; License and Application Fees

Apply online at https://www.ksabconline.org or download and print the online forms from our webpage at www.ksrevenue.org/abcoffprem.html. Follow the directions for submitting the application to ABC.

The biennial license fee is $500. [Subsection (k) of K.S.A. 41-310] This fee is refundable if the applicant is denied a license.

The applicant may pay either the full amount of the license fee or may pay half of the license fee at the time of application. The remaining half of the license fee, plus 10 percent of the remaining balance, is due one year from the date on which the license was issued. Failure to pay the remaining license fee and 10 percent fee timely will result in the license being canceled. [Subsections (b) and (c) of K.S.A. 41-317]

The non-refundable registration fee for an initial license application is $50. The non-refundable registration fee for renewal applications is $10. [Subsection (a) of K.S.A. 41-317]

At time of application, applicants must submit and maintain a licensing bond. See licensing bond section for details.

The license term commences on the date that the license is issued by the director. [Subsection (m) of K.S.A. 41-310] At the end of the two-year license term, the license is renewable for another two-year term unless sooner suspended or revoked, as long as the licensee and premises continue to meet the requirements of all relevant laws and regulations. [K.S.A. 41-327]

In addition to the above fees, the city or township in which the licensed premises is located may collect a biennial occupation or license tax of not less than $200 and not more than $600. [Subsections (l)(1) and (l)(2) of K.S.A. 41-310]

Once all of the forms, fees, licensing bond and other required documentation for licensure are submitted to and accepted by director, the director has 30 days to either issue the license or issue an order denying the license. If no license is issued or no denial order is issued within that time, then the license is deemed to be denied. The applicant may agree in writing to give the director an additional 30 days to either issue or deny the license. [Subsection (a) of K.S.A. 41-319]
An order by the director denying a license shall state the reason(s) therefore. The order denying a license is appealable to the Secretary of Revenue by filing a form available from the Office of the Secretary. The form must be either mailed to the Secretary by certified mail or personally served upon the Office of the Secretary within 15 days from the date of service of the director’s order upon the licensee. The review of the director’s order will be conducted in accordance with the provisions of the Kansas Administrative Procedures Act. [K.S.A. 41-321]

The decision of the secretary or secretary's designee on an applicant's appeal of a denial of licensure may be appealed to District Court pursuant to the Kansas Act for Judicial Review and Civil Enforcement of Agency Actions, K.S.A. 77-601 et seq. [K.S.A. 41-323]

**Limited Liability Companies (LLCs)**

Each person who is a member of an LLC is required to meet the same licensing qualifications as partners in a partnership. [Subsection (a) of K.S.A. 41-311c] In other words, each member of the LLC must meet the licensing qualifications for person ownership, as listed below, regardless of the percentage of ownership.

**Trusts**

For trusts to be licensed, each person who is a grantor, beneficiary and trustee must meet the licensing qualifications for ownership below. However, beneficiaries of the trust do not have to be at least 21 years of age. [Subsection (b)(7) of K.S.A. 41-311]

  The person must be a U.S. citizen. [Subsection (a)(1) of K.S.A. 41-311]

- **Felony conviction.**
  The person cannot have been convicted of a felony in Kansas or any other state or the United States. [Subsection (a)(2) of K.S.A. 41-311]

  For an initial license, this requirement also applies to the person's spouse regardless of when the conviction occurred. [Subsection (a)(12) of K.S.A. 41-311]
For a renewal license, this requirement also applies to the person's spouse, but only if the conviction occurred during the time that the person's spouse was licensed under the Liquor Control Act. [Subsection (a)(13) of K.S.A. 41-311]

For an initial license, this requirement applies to the person's spouse. For a renewal license, this requirement does not apply to the person's spouse. [Subsection (a)(12) of K.S.A. 41-311]

- **Previous finding of hidden beneficial interest.**
  The person cannot, after a hearing before the Director, be found to have held an undisclosed beneficial interest in any liquor license which was obtained by means of fraud or any false statement made on the application for such license. [Subsection (15) of K.S.A. 41-311]

- **Conviction for keeping a house of prostitution.**
  The person cannot have been convicted of being a keeper of a house of prostitution or is keeping a house of prostitution, or has forfeited bond to appear in court to answer charges of being a keeper of a house of prostitution. [Subsection (a)(4) of K.S.A. 41-311]

For an initial license, this requirement also applies to the person's spouse regardless of when the conviction occurred. [Subsection (a)(12) of K.S.A. 41-311]

For a renewal license, this requirement also applies to the person's spouse, but only if the conviction occurred during the time that the person's spouse was licensed under the Liquor Control Act. [Subsection (a)(13) of K.S.A. 41-311]

- **Conviction for owning a gambling house, pandering or crime opposed to decency or morality.**
  The person cannot have been convicted of being a proprietor of a gambling house, pandering or any other crime opposed to decency and morality and cannot have forfeited bond to appear in court to answer charges for any of these crimes. This includes both felonies and misdemeanors. [Subsection (a)(5) of K.S.A. 41-311] "Pandering" is not currently used in the Kansas criminal law. Black's Law Dictionary defines a "panderer" as one who solicits for prostitution. The definition of "pander" includes being a "pimp" or procurer of persons to be prostitutes. Most of these acts are currently prohibited by K.S.A. 21-3513 (promoting prostitution).

Crimes involving morality are defined as including:
- prostitution
- procuring any person
- solicitation of a child under 18 years of age for any immoral act involving sex
- possession or sale of narcotics, marijuana, amphetamines or barbiturates
- rape
- incest
- gambling
- adultery
- bigamy
For an initial license, this requirement also applies to the person's spouse regardless of when the conviction occurred. [Subsection (a)(12) of K.S.A. 41-311]

For a renewal license, this requirement also applies to the person's spouse, but only if the conviction occurred during the time that the person's spouse was licensed under the Liquor Control Act. [Subsection (a)(13) of K.S.A. 41-311]

- **Age requirement.**
The person must be at least 21 years of age. [Subsection (a)(6) of K.S.A. 41-311]

For either an initial or renewal license, this requirement does not apply to the person's spouse. [Subsection (a)(12) of K.S.A. 41-311]

- **Employee of ABC.**
The person cannot be an employee of the Division of Alcoholic Beverage Control. [Subsection (a)(7) of K.S.A. 41-311]

- **Law enforcement officer.**
The person cannot be a law enforcement official. [Subsection (a)(7) of K.S.A. 41-311] "Official" is not defined in the statute but is interpreted as being any law enforcement officer or head of a law enforcement agency. Since this subsection does not mention jurisdiction, it is assumed that this restriction applies regardless of whether the law enforcement official is located in the same county, city, etc. as the RLS. [Ruling approved by the director on Jan. 19, 2005.]

Persons not certified as law enforcement officers, including non-commissioned correctional facility employees, are not included as “law enforcement officers” for purposes of acquiring a license. [Ruling by the director on July 24, 2012]

However, members of the governing body of a city or county (assume this means city council members and county commissioners) are exempt from this restriction. [Subsection (a)(7) of K.S.A. 41-311] Since this subsection does not mention jurisdiction, it is assumed that this restriction applies regardless of whether the person is located in the county, city, etc. as the RLS. [Ruling approved by the director on Jan. 19, 2005.]

For an initial license, this requirement applies to the person's spouse. For a renewal license, this requirement does not apply to the person's spouse. [Subsection (a)(12) of K.S.A. 41-311]

- **Acting as agent of another.**
The person cannot intend to act as an agent for another in operating the licensed business. [Subsection (a)(8) of K.S.A. 41-311]
• **CMB licensee.**

• **Resident of Kansas.**
  The person must be a resident of Kansas for at least four years immediately preceding the date of application for licensure and must maintain Kansas residency while licensed. [Subsections (b)(1) and (b)(2) of K.S.A. 41-311] Because of these requirements, the provisions of K.S.A. 41-311b for the licensure of non-residents, which was enacted in 2001, does not apply to retailers. [Ruling made by legal counsel after conferring with the Attorney General's Office, and approved by the director on Jan. 19, 2005.]

• **Beneficial interest in an industry member.**
  The person cannot have a beneficial interest in the manufacture, preparation or wholesaling of alcoholic beverages. This is interpreted as applying whether the activity takes place in Kansas or some other jurisdiction (another state or country). [Subsection (b)(3) of K.S.A. 41-311]

  The person’s spouse may hold a microbrewery license, farm winery license, or both. [Subsection (b)(3) of K.S.A. 41-311]

  For an initial license, this requirement applies to the person's spouse. For a renewal license, this requirement does **not** apply to the person's spouse. [Subsection (a)(12) of K.S.A. 41-311]

• **Beneficial interest in another retail liquor store.**
  The person cannot have a beneficial interest in another retail liquor store licensed under the Kansas Liquor Control Act. [Subsection (b)(4) of K.S.A. 41-311]

  For either an initial or renewal license, this requirement does **not** apply to the person's spouse. [Subsection (b)(4) of K.S.A. 41-311]

• **Current in payment of all liquor excise taxes.**
  If a person is not current in the payment of all excise or enforcement taxes, fees or fines to the State of Kansas, then the director **may** reject the application for an initial license or license renewal. [Ruling approved by the director]

• **Conviction of violating the Liquor Control Act.**
  If a person has been criminally convicted of any violation of the Kansas Liquor Control Act, the director **may** deny issuance of a retail license. [Subsection (b) of K.S.A. 41-314]

• **Conviction of violating the intoxicating liquor laws.**
  The director **may** deny an initial license or renewal of an existing license if the person or the person's spouse has been convicted of violating the intoxicating liquor laws of any state or the United States or has forfeited bond to appear in court on charges of any such violation, within 10 years immediately preceding the date of application for an initial license or for renewal of an existing license. [Subsection (a) of K.S.A. 41-330]
• **Conviction of violating the Cereal Malt Beverage Act.**

  The director may deny an initial license or renewal for an existing license if the person or the person's spouse has been convicted of violating the laws of any state relating to cereal malt beverages, within 10 years immediately preceding the date of application for an initial license or for renewal of an existing license. [Subsection (b) of K.S.A. 41-330]

  **Federal permit**

  The applicant must possess a basic permit issued by the federal government and must register with the federal government as an alcohol dealer. The application and registration forms are available for download from our new license webpage at http://www.ksrevenue.org/abcoffprem.html or at http://www.ttb.gov/forms/f510024.pdf. [Ruling by the director, Aug. 20, 2012]

  **Qualifications for Licensure - Business Name (DBA)**

  The application for a license must include the "doing business as" name to be used for the business. [Subsection (a) of K.A.R. 14-13-15]

  The "doing business as" name shall not suggest to the public that the store is part of a chain of stores or is operated by a corporation. [Subsection (b) of K.A.R. 14-13-15] See Policy memorandum 2002-5 at www.ksrevenue.org/abcpolicy.html for more information.

  **Requirements for the Licensed Premises**

  • A retailer’s license is good for only one location. [K.S.A. 41-315]

  • Applicants for initial retailer’s licenses must furnish a diagram of the proposed licensed premises for approval. Licensees must notify ABC prior to making any changes to their licensed premises. The premises shall not have an inside entrance or opening which connects to any other place or business. [K.S.A. 41-711] However, a vestibule may be constructed at the entrance to the licensed premises which also includes an entrance to another business such as a "party shop," subject to guidelines in ABC Policy Memorandum 2002-1 which include:
    (a) The vestibule must be a neutral, non-business area. No advertising, equipment or business transactions shall occur or be placed in the vestibule.
    (b) The vestibule must provide separate lockable entrances into both the retail liquor store and the other business or businesses. Open entryways with a lockable door only into one business area are not allowed.
    (c) The walls of the vestibule and all common walls separating the retail liquor store from other adjacent businesses must be constructed in such a manner that there are no holes or openings large enough to pass items of merchandise through. This includes items sold in either business. The walls must go from the floor to the ceiling so as not to allow items to be passed over partial walls in any manner.

  • Applicants for retailer’s licenses must furnish deeds or, if the applicants do not own the premises, copies of current leases. [Subsection (b)(2) of K.A.R.14-13-2]
• When ABC records indicate the location is currently or has recently been occupied by another similar licensed business, the director has approved the following procedures (Ruling by the director on July 24, 2012):

  If the current business has an active license and the current business' lease is still in effect, ABC shall send a certified letter to the last known address of the current licensee, notifying the licensee that its license will be canceled if the licensee does not reply to the ABC within ten days. Any alcoholic liquor remaining on the premises will be deemed abandoned and shall be seized and sold by the ABC. Proceeds from the sale will go to the state general fund.

  If the current business no longer has an active license (expired or revoked) ABC will issue a license for another business to occupy that location.

• Each liquor store shall post its d/b/a name within the store or on the exterior of the store. 
  [Subsection (c) of K.A.R. 14-13-15]

• Once issued, the retailer’s license must be framed and hung in plain view in a conspicuous place on the licensed premises. [K.S.A. 41-325]

Qualifications for Licensure - Geographic Location of the Licensed Premises

• An incorporated city may prohibit the sale of alcoholic liquor in the original package in the following manner: the qualified voters of the city may petition for the issue of whether to prohibit such sales (“go dry”) to be placed on the ballot in any regular general city election held pursuant to K.S.A. 41-302. If qualified voters in a subsequent election vote to allow such sales, then retailer’s licenses may continue to be issued for locations in that city. [Subsection (c) of K.S.A. 41-301] A copy of the results of any such election shall be transmitted by the governing body of such city to the director. [Subsection (c) of K.S.A. 41-302] If a city votes to prohibit such sales, then any existing retailer shall have the right to continue to operate for a period of 90 days after the result of such election is canvassed or until the expiration of such license, whichever period of time is shorter. If the election results prevent the licensee from operating during the entire second year of the license term, the licensee may qualify for a refund of one-half of the license fee in accordance with rules and regulations adopted by the Secretary of Revenue. [Subsection (d) of K.S.A. 41-302 and subsection (b) of K.S.A. 41-326]

• The list of cities that do not allow retail sales of alcoholic liquor in the original package may be found on our webpage at www.ksrevenue.org/abcgeneral.html

• Retailer’s licenses may be issued by the Director of ABC for a properly zoned location (see below) outside of an incorporated city if the board of county commissioners passes a resolution approving the license. The applicant for licensure must include a certified copy of the county resolution with its application. [Subsection (a) of K.S.A. 41-303]

• If a retailer’s license has been issued by the Director of ABC to a premises located outside an incorporated city and the premises is subsequently annexed to a city that allows retail liquor stores, then the license shall remain valid. [Subsection (b) of K.S.A. 41-303.] However, no statute appears to cover the situation where a premise is annexed to a city that does not allow retail liquor stores. This situation will be treated in the same manner as when a city goes from approving retail liquor
stores to banning them. The licensee shall be allowed to continue to operate for 90 days after annexation, or until the license expires, whichever is the shorter period.

- The list of counties that do not allow retail sales of alcoholic liquor in the original package may be found on our webpage at www.ksrevenue.org/abcgeneral.html

- If the licensed premise is to be located in an area which is zoned, then the premises must comply with all applicable zoning regulations. [Subsection (a) of K.S.A. 41-710]

- Must comply with all local building regulations. [Subsection (c)(2) of K.S.A. 41-710]

- The city or township where the license premise is to be located may request a hearing before the director on whether the director should approve or deny an initial retailer's license application. The hearing shall be conducted in accordance with the Kansas Administrative Procedures Act. [K.S.A. 41-318]

Proximity of Retail Liquor Store to Church or School

No retailer’s license shall be issued by the Director of ABC for a premises located within 200 feet of any public or parochial school or college or church unless the premises was licensed before the church or school moved in. [Subsection (c)(1) of K.S.A. 41-710] However, a city may, by ordinance, waive this restriction for licensed premises located within a core commercial district as defined by K.S.A. 12-17,122. [Subsection (d) of K.S.A. 41-710]

In the case of a school or college, the distance shall be the shortest distance, measured in a straight line, from the outside wall of the premises to the nearest property line of the school or college. In the case of a church, the distance shall be shortest distance, measured in a straight line from the outside wall of the premises to the actual church building. [Attorney General Opinion No. 91-29 issued March 25, 1991]

If an existing licensee whose premise is within 200 feet of a church, school or college ceases business, a new application must submitted to the ABC for a retailer's license within 30 days or the 200 foot exception will not apply.

Goods Sold on the Licensed Premises Verses Goods Sold at Party Shops

Retailers shall not sell anything on the licensed premises other than alcoholic liquor, alcoholic liquor packaged by the manufacturer with non-alcoholic goods approved by the Director of ABC, and Kansas Lottery tickets. [Subsection (b)(2) of K.S.A. 41-308] Other items may be sold by a retailer at a location adjacent to the licensed premises, sometimes referred to as a "party shop." Typically such items include snacks, non-alcoholic mixers, ice, and party accessories. See the section entitled "Qualifications for Licensure - Characteristics of the Licensed Premises" for restrictions on the physical connections between the registered premises and a party shop.

Restrictions on Employees

The following restrictions apply to all persons employed (working, whether paid or not) by a retailer, including clerks, stockers and janitors:
• Must be at least 21 years old. [Subsection (c)(2) of K.S.A. 41-713]
• Cannot have been convicted of any felony. [Subsection (c)(3) of K.S.A. 41-713]
• Cannot be an employee of a Kansas licensed distributor or the spouse of an employee of a Kansas licensed distributor. [Subsection (c)(1) of K.A.R. 14-13-5]

Licensees are directly responsible for any violation of the Liquor Control Act or associated regulations by their employees. [Subsection (b) of K.A.R. 14-13-5]

Subsection (c) of K.A.R. 14-13-14 requires the owner or owners to provide additional information to the Director before allowing anyone other than the owner or owners to perform any management or operational services, including the following activities listed in K.A.R. 14-13-14(a):
• Hiring, firing or supervising the licensee's employees.
• Ordering products for the store, coordinating deliveries or determining the amount or type of inventory to be maintained at the store.
• Determining the advertising, marketing and promotional programs to be used.
• Negotiating or executing any contracts on behalf of the licensee.
• Paying or authorizing payment for services or product purchased by the store.
• Performing any other task essential to the operation of the store.

No person employed to perform management or operational services shall receive compensation based on a percentage of the gross receipts from the sale of liquor. [Subsection (c)(1)(A) of K.A.R. 14-13-14]

Any person employed by the owner to perform management or operational services must meet the same qualifications for licensure as the owner. This would prohibit the owner of a retail liquor store from performing any management or operational services for the owner of another retail liquor store. [Subsection (d)(1) of K.A.R. 14-13-14]

- Monday through Saturday, between 9 a.m. and 11 p.m.
  - The governing body of any city may pass an ordinance, or the board of county commissioners of any county may pass a resolution, making the closing time earlier, but not before 8 p.m. [Subsection (b) of K.S.A. 41-712]
- Sunday, between 12 p.m. and 8 p.m.

Retail liquor stores must be closed on the following holidays:

- Easter
- Thanksgiving Day
- Christmas Day
[Subsection (b) of K.S.A. 41-712]

Although the statute does not specifically state, it has always been the policy of the Director of ABC that retail liquor stores must be closed during the times that alcoholic liquor cannot be legally sold.

Procedure to Change Hours and Days of Sales - Within Incorporated City Limits [K.S.A. 79-2911]

The procedure to change from basic days and hours to expanded days and hours or vice versa is the same. There are two methods:

- The governing body of the city can pass an ordinance expanding or reducing the days and hours. The ordinance must specify either all of the expanded days and hours or all of the basic days and hours. It cannot specify something different than what is in the statute. The ordinance must then be published once a week for two consecutive weeks in the designated official city newspaper. The ordinance shall become effective 60 days after publication or at a later date if specified in the ordinance. However, if within that 60 days, a petition meeting the requirements in subsection (b)(2) is filed requesting that the proposition be submitted to the voters, then the resolution shall not become effective and an election must be conducted in accordance with subsection (b)(3). [Subsection (b)(1) of K.S.A. 41-2911]
- The voters of the city can submit a petition meeting the requirements of subsection (b)(2) requesting that the issue of expanding or reducing the days and hours be submitted to the voters. The election must be conducted in accordance with subsection (b)(3). [Subsection (b)(2) of K.S.A. 41-2911]

When cities expand the days of sale under K.S.A. 41-712, they must include both liquor retail sales and CMB retail sales. They cannot expand one type of sales without the other. They must also expand to exactly those days listed in the statute. They cannot pick and choose which of those days they expand to. However, they may limit sales on Sundays to hours less than the 12 p.m. to 8 p.m. provided in the statute. [Attorney General Opinion No. 2006-2 issued Jan. 4, 2006]
Procedure to Change Hours and Days of Sales - In County Outside Incorporated City Limits [K.S.A. 79-2911]

The procedure to change from basic days and hours to expanded days and hours or vice versa is the same.

- The county commission can pass a resolution expanding or reducing the days and hours. The resolution must specify either all of the expanded days and hours or all of the basic days and hours. It cannot specify something different than what is in the statute. Within two weeks after passage, the resolution must be published once in the designated official county newspaper. The resolution shall become effective 60 days after publication or at a later date if specified in the resolution. However, if within that 60 days, a petition meeting the requirements in subsection (a)(2) is filed requesting that the proposition be submitted to the voters, then the resolution shall not become effective and an election must be conducted in accordance with subsection (a)(3). [Subsection (a)(1) of K.S.A. 41-2911]

- The voters of the county can submit a petition meeting the requirements of subsection (a)(2) requesting that the issue of expanding or reducing the days and hours be submitted to the voters. The election must be conducted in accordance with subsection (a)(3). [Subsection (a)(2) of K.S.A. 41-2911]

When counties expand the days of sale under K.S.A. 41-712, they must include both liquor retail sales and CMB retail sales. They cannot expand one type of sales without the other. They must also expand to exactly those days listed in the statute. They cannot pick and choose which of those days they expand to. However, they may limit sales on Sundays to hours less than the 12 p.m. to 8 p.m. provided in the statute. [Attorney General Opinion No. 2006-2 issued Jan. 4, 2006]

[Subsection (a)(1) of K.S.A. 41-308d] Distributors may not participate except to provide educational materials about the products being sampled. [Subsection (g) of K.A.R. 14-13-16] For the purposes of sampling, a distributor who also possesses a Kansas supplier permit is limited to providing educational information only. [Subsection (b) of K.A.R. 14-13-17]

• The supplier must purchase the liquor from the retailer. [Subsection (c) of K.A.R. 14-13-17]

• The supplier’s employee or agent may pour and serve samples and provide educational information about the products. [Subsection (a)(1) of K.S.A. 41-308d]

At the conclusion of the tasting event, any remaining liquor used for sampling must be secured. Any liquor in adjacent premises must be disposed of or returned to the retail premises prior to the retailer’s normal close of business on that day. [Subsection (h)(1) of K.A.R. 14-13-16] Partial bottles of liquor may be:

• disposed of;
• stored in a locked storage area, separate from alcoholic liquor intended for sale; or
• sealed with a tamperproof seal around the opening of the container. [Subsection (h)(2) of K.A.R. 14-13-16 and subsection (d) of K.A.R. 14-13-17]

Records of inventory withdrawn or sold to a supplier for sampling must be maintained for a period of three years. See the section on records for further information.

Signs, Advertising, Trade Practices and Promotional Activities

For further clarification of trade practices involving product displays, point of sale items and equipment, refer to “Policy Memorandum 2016-1” on ABC webpage: www.ksrevenue.org/abcprivacy.html
Outside signs.
Industry members may give, lend or sell basic signs advertising the industry member's products. The value of the signs may not exceed $400. The industry member cannot make payments or give credits to the licensee for displaying their sign and cannot pay for the installation, removal or operation of the sign. This would prohibit the industry member from supplying the structure to mount the sign on, such as a billboard, marquee with space to post additional information, a semi-trailer truck, etc. [27 CFR ch. 1, Sec. 6.102, as adopted by K.A.R. 14-10-17]

Definition of advertising.
"Advertising" means the medium of radio, television, newspapers, periodicals, circulars, pamphlets, or other publications or any sign or outdoor advertising or any other printed or graphic matter. [K.A.R. 14-8-1] Webster's Dictionary (New Riverside University Edition published in 1984) defines "graphic" as:
- pertaining to written representation
- pertaining to pictorial representation

An industry member may be present and hand out promotional items to consumers on the premises during the time the commercial is broadcast but shall not participate in the commercial or pay any of the cost thereof. [Ruling by the director on Aug. 1, 2005] A licensee may arrange for a radio or television station to run a remote broadcast from the licensee's parking lot or anywhere outside the licensed premises and the licensee or the radio or television station may give away food or promotional items at that location. Any food or other items may be given free to the public. The food cannot be paid for by an industry member (manufacturer, supplier or distributor).

Industry members selling, giving or lending equipment or supplies.
Industry members are prohibited from giving or lending money, equipment, supplies, services or anything of value to a licensee except as permitted by K.A.R. 14-10-17. The following are allowed:

• The purchase of advertising in a publication of the retailer which is distributed to consumers or the general public.
• Reimbursements to retailers for setting up product or other displays.
• Rental of display space in the licensed premises.

[Subsection (d) of 27 CFR, ch. 1, Sec. 6.21, as adopted by K.A.R. 14-10-14]

Industry members shall not obtain tickets to a concert or other event and give them away to consumers either directly or through a third party if the concert or other event is being held on a licensee's premises. This is interpreted as furnishing something of value to the licensee (inducing consumers to visit the licensed premises) in violation of subsection (a) of K.S.A. 41-703. [Ruling by the director on Aug. 1, 2005]

Industry members shall not arrange for a radio station to have its mobile unit park at a licensee's location and offer something of value to the public for finding the mobile unit and broadcast clues to find the mobile unit. This is interpreted as furnishing something of value to the licensee (inducing consumers to visit the licensed premises) in violation of subsection (a) of K.S.A. 41-703. [Ruling by the director on Aug. 1, 2005]

However, industry members may furnish, give, rent, loan, or sell newspaper cuts, mats, or engraved blocks to a licensee for use in their advertising of the industry member’s products. [27 CFR 1.6.92, as adapted by K.A.R. 14-10-17]

Industry members may put the name of the retailer on the label or packaging of the products sold to retailers. If the name is added to a label that has previously been registered with ABC, the new label must be separately registered with ABC. [Ruling by the director on Aug. 20, 2007]

Product displays.
Industry members may give or sell product displays to licensees. The selling or giving of the product displays may be conditioned upon the purchase of enough of the liquor products advertised on the display for the initial completion of the display. No other conditions are allowed. [Subpart (c)(3) of 27 CFR, ch. 1, Sec. 6.83, as adopted by K.A.R. 14-10-17]

"Product display" means any wine racks, bins, barrels, casks, shelving, or similar items whose primary function is to hold and display consumer products. [Subpart (b) of 27 CFR, ch. 1, Sec. 6.83, as adopted by K.A.R. 14-10-17] The total value, based on actual cost to the industry member, of all product displays given or sold by an industry member may not exceed $300 per brand at any one time in any one licensed premises. All product displays must bear conspicuous and substantial, permanently affixed, advertising material about the product or the industry member. The product display may also include the name and address of the retailer. [Subpart (c)(2) of 27 CFR, ch. 1, Sec. 6.83, as adopted by K.A.R. 14-10-17]

Point of Sale (“POS”) Advertising Materials.
Industry members may provide to licensees items intended to be used within the establishment to attract customers’ attention to the products of the industry member. Such advertising materials include, but are not limited to: posters, placards, designs, inside signs (electric, mechanical or

Consumer advertising specialties (“CAS”) offered by industry members.
Industry members may provide to licensees consumer advertising specialties that are designed to be carried away by the consumer, such as trading stamps, nonalcoholic mixers, pouring racks, ashtrays, bottle or can openers, corkscrews, shopping bags, matches, printed recipes, informational pamphlets, cards and leaflets, post cards, posters, printed sports schedules, pens, pencils, koozies, t-shirts, ball caps and other similar items as approved by the director for distribution to the general public. Offering coupons, premiums, rebates and refunds to customers by industry members.

Industry members may offer coupons through retailers (on and off-premise licensees) to consumers if all retailers within the market where the offer is made may redeem the coupons. Industry members may not reimburse a retailer for more than the face value of all coupons redeemed, plus a usual and customary handling fee. [Subpart (a) of 27 CFR, ch. 1, Sec. 6.96, as adopted by K.A.R. 14-10-17] The Director has interpreted this regulation to also permit redemption of such coupons for free or discounted non-alcoholic items at grocery stores.

Industry member support of events sponsored by licensees

Industry members may not support these events through the donation of money, advertising, consumer advertising specialties or product. [Subsection (a) of K.S.A. 41-702 and subsection (a) of K.A.R. 14-14-11] Subsection (e) of K.S.A. 41-703 authorizes the Secretary of Revenue to adopt rules and regulations authorizing exceptions to the general prohibition in K.S.A. 41-702. K.A.R. 14-10-1 et seq. dictates exceptions to the prohibition on industry members giving anything of value to retailers and it does not provide for any assistance with licensee sponsored events, whether they be fundraising or otherwise. Industry members may participate in these events but any fees paid by such industry members shall be the same as paid by any other participant.

Industry member support of fundraising events sponsored by charitable organizations with sponsorship in whole or in part by a liquor licensee.

Industry members may support these events through the donation of money and consumer advertising specialties directly to the charity, but not to the event sponsor or any other party. They may not donate product. Industry member support of fundraising events sponsored by Charities, Not-for-profit Organizations with no Retailer Involvement.

Industry members may support these events through the donation of money and consumer advertising specialties directly to the charity. They may not donate product. Industry members may participate in these events, however any contributions made or fees paid by such industry members shall be the same as that contributed or paid by any other participant.

Industry members may participate in these events to a limited extent. Industry members may: display products at a convention or trade show; rent display space at the same rental rate paid by all other exhibitors; provide hospitality independent from that provided by the retail association; purchase tickets to functions and pay registration fees at the same price paid by all other attendees, participants, or exhibitors; and pay for advertising in programs or brochures if the total payments made by an industry member for all such advertisements does not exceed $300 per year for any retail association. [27 CFR, ch. 1, Sec. 6.100, as adopted by K.A.R. 14-10-17]

Registration and Sale of Kegs of Beer

The registration and sale of kegs of beer is governed by the Beer and Cereal Malt Beverage Keg Registration Act, K.S.A 41-2901 through 41-2906, initially passed by the Kansas Legislature in 2002. [K.S.A. 41-2901] It applies to the retail sale of any container of beer with a capacity of four gallons or more. [Subsection (a) of K.S.A. 41-2905] It does not apply to the sale by retailers to clubs, drinking establishments, hotel drinking establishments and caterers licensed under the club and drinking establishment act. [Subsection (h) of K.S.A. 41-2905] This exception also applies to sales by beer distributors to public venues. [Ruling of the director, Aug. 31, 2012]

Prior to or at the time of the retail sale of a keg, the retailer must affix to the keg a registration tag. Keg registration tags may be ordered free of charge in reasonable quantities by submitting form ABC-171 Keg Tag Order Form (available from our website at www.ksrevenue.org/abcforms.html) to the ABC. [Subsections (a) and (f) of K.S.A. 41-2905]

At the time of sale, the retailer shall record the following information on form ABC-170 Keg Registration Form (available from our website at http://www.ksrevenue.org/abcforms.html):

- the keg number
- the date of the sale
- the purchaser's name and address
- the number on the purchaser's driver's license, Kansas non-driver's identification card or other official or apparently official document containing both the purchaser's picture and the purchaser's signature, which shall be exhibited at the time of sale.

Such records shall be kept on the licensed premises until the keg is returned or until the expiration of six months following the date of the sale of the keg. [Subsection (a) of K.S.A. 41-2905]

These records shall be available for inspection by any law enforcement officer during normal business hours of the retailer. These records shall not be available for inspection or use or subject to subpoena in any civil or administrative action or criminal prosecution other than a civil or administrative action or criminal prosecution relating to a specific violation of this section or K.S.A. 21-3610 or 41-727, and amendments thereto. These records shall not be sold, distributed or otherwise released to any person other than an agent of the retailer or to a law enforcement agency. [Subsection (b) of K.S.A. 41-2905]

The loan of a tap or pump may be included with the sale of a keg of beer to customers if no additional charge is made for the tap or pump. This is permitted because taps and pumps are designed to be used
in conjunction with the keg to properly control the removal of the purchased beer from the keg. The retailer may require the customer to make a reasonable deposit for the loan of the keg and tap or pump, to be refunded in full upon return of these items in usable condition. However, items which are merely for the convenience of customers but are not essential to the dispensing of the alcoholic liquor, such as cooling equipment, may not be leased or sold by the retailer to customers. [Interpretation of K.S.A. 41-308(b) by the director on Nov. 28, 2005]

Keg registration tags assigned to a retailer may be transferred with approval of the Director only for emergency purposes or in the case of a retailer selling its business to another licensee. Form ABC-172 must be completed and submitted to ABC prior to the transfer. Tags may be transferred at any time after written approval is granted by the director. Form ABC-172 is available for download from our website at www.ksrevenue.org/abcforms.html.

Unused keg registration tags may be returned to ABC when accompanied by a complete Form ABC-173 (available on our website at www.ksrevenue.org/abcforms.html).

**Finality of Sales of Alcoholic Liquor by Retailers**

Sales of alcoholic liquor under the Liquor Control Act are final, except that retailers may:

- Buy back any item of alcoholic liquor from a consumer when required by the distributor. Approval of the director is not required. [Subsection (b)(1) of K.A.R. 14-13-12]

- Buy back any alcoholic liquor sold to the holder of a temporary permit within three business days after the event concludes if the holder of the temporary permit has received the director’s approval to return the liquor. (Subsection (h) of K.S.A. 41-2645)

- Buy back any item of alcoholic liquor sold to a public venue if the next scheduled event for the public venue is more than 90 days from the conclusion of the previous event and the director has given approval to the public venue to return the liquor. (K.A.R. 41-2645).

- Buy back any alcoholic liquor product from a club, drinking establishment or caterer for which the club, drinking establishment or caterer has approval from the director to close out. [Subsection (b)(2) of K.A.R. 14-13-12]

- Buy back or exchange, within 24 hours after sale to a consumer, any item of alcoholic liquor which is damaged or deteriorated in quality. Approval of the director is not required. [Subsection (b)(3) of K.A.R. 14-13-12]
  
  Liquor containers that are damaged or deteriorated in quality include containers that leak, contain foreign matter, are short-filled, have broken federal seals, have badly stained or soiled labels, or which are otherwise unfit for sale to the general public. [Subsection (a) of K.A.R. 14-13-12]

**Records to be Retained and Available for Inspection**

Retailers shall retain the following records of items removed from inventory for tasting, purchases and sales:
Retailers shall retain these records for a period of three years. They are subject to inspection by the director or any agent or employee of the director. [Subsection (d) of K.A.R. 14-13-10]

For a period of 90 days after the purchase, withdrawal or sale, the records must be kept on the licensed premises. The records may be in electronic or paper format. If electronic, the records must be available to print upon request by the director or any agent or employee of the director. [Subsection (k) of K.A.R. 14-13-16 and subsection (f) of K.A.R. 14-13-17]

After 90 days, the records may be stored off the licensed premises but shall be provided within a reasonable time upon request.

Transfer of a Retailer’s Stock Upon the Closing of the Business

When a retail liquor store closes for any reason, including when the license has expired or has been revoked, and the retailer wishes to transfer the inventory to another licensee, the retailer shall apply to the Director of ABC for permission to sell the retailer's stock of alcoholic liquor to the other licensee. The seller and buyer must complete form ABC-812 (Request to Sell Inventory). If the sale is to one or more liquor licensees or distributors, an inventory of the alcoholic liquor to be transferred to each buyer must be completed. If the retailer fails to timely sell its stock of alcoholic liquor, the director may take possession of the liquor until such time as the retailer has found a purchaser and the sale has been approved by the director. [Subsection (b) of K.A.R. 14-13-8]

Seizure and Sale of Licensee's Liquor Stock by a Judgment Creditor or Bankruptcy Creditor

If a bank or other creditor assumes possession of a licensee's alcoholic liquor inventory, it is prohibited from selling that inventory, as that would constitute a sale of alcoholic liquor without a license. In this situation, the creditor must obtain a court order authorizing the sheriff of the county in which the inventory is located to seize possession of the inventory. A sheriff's sale may then be conducted, in accordance with terms and conditions to be specified in the order. The proceeds from such a sale shall go to the creditor, with any remaining proceeds to be returned to the debtor/licensee. [K.S.A. 41-1125]

Cases of theft shall be reported by the licensee to the proper police or sheriff’s department. The licensee shall submit a copy of the report produced by the police or sheriff's department to the licensee's report sent to the director of ABC.

When alcoholic liquor is destroyed or made unsellable by fire, flood or other disaster, the situation shall be investigated by an ABC agent, who shall submit a report verifying the circumstances to the director of ABC. [K.S.A. 79-4101 and subsection (b) of 41-345]
