# INSTRUCTIONS FOR SCHEDULE K-70

## GENERAL INSTRUCTIONS

K.S.A. 72-99a07 provides a tax credit equal to 70% of the amount contributed to a Scholarship Granting Organization (SGO) for the purpose of offering educational scholarships to eligible students to pay all or a portion of the tuition to attend a qualified school. Beginning after December 31, 2016, total donations cannot exceed \$500,000 per contributor for any tax year. Total tax credits shall not exceed \$10,000,000 for any tax year.

For tax years commencing after December 31, 2014, the tax credit shall be allowed against the corporate income tax liability, privilege tax liability, or premium tax liability. For tax years commencing after December 31, 2016, the tax credit shall be allowed against the tax liability for all taxpayers.

The credit shall be claimed and deducted from the taxpayer's tax liability during the tax year in which the contribution was made to any such SGO. If the amount of the credit claimed by a taxpayer exceeds the taxpayer's income, privilege or premium tax liability, such excess amount may be carried over for deduction from the taxpayer's income, privilege or premium tax liability in the next succeeding year or years until the total amount of the credit has been deducted from tax liability.

**Addition Modification.** There shall be added to federal taxable income on the Kansas return the amount of any charitable contribution deduction claimed for any contribution or gift made to a SGO to the extent the same is claimed on the federal return as the basis for the credit allowed.

**IMPORTANT: A separate K-70 schedule is required for each credit claimed, including a separate schedule for credits carried forward from the prior year. A separate worksheet must be completed for each certificate number.** For example, if you have a carry forward amount from tax year 2016 and two new contributions in tax year 2017, you will file three K-70 schedules — one for the 2016 carry forward amount and two for the new contributions in 2017.
