## GENERAL INSTRUCTIONS

K.S.A. 79-32,242 provides for a 50% tax credit for tax years commencing after December 31, 2005, against the income tax liability of a "business firm" for cash contributed to the Kansas Law Enforcement Training Center (KLETC). The purpose of which is the providing of programs and courses of instruction for full-time police officers and law enforcement officers designed to fulfill the continuing education and training requirements of such officers pursuant to K.S.A. 74-5607a, and amendments thereto.

In no event shall the total amount of credits allowed in any one tax year exceed the amount of money the director of police training at the Kansas law enforcement training center has certified is necessary to provide such continuing education and training programs and courses of instruction for the fiscal year following such tax year. Certification shall be submitted to the secretary of revenue prior to the commencement of the applicable tax year.

The credit allowed shall be deducted from the taxpayer's income tax liability for the taxable year in which the contributions are made. If the amount of the credit allowed by this section exceeds the taxpayer's income tax liability for such taxable year, such excess may be carried over for credit in the same manner in the succeeding taxable years until the total amount of the credit is used.
