

## **REGISTRATION PROCESS**

All early enrollments received **at least 30 days prior** to the class will be charged the stated cost in the education catalog. All enrollments received **within 30 days** of the class will be charged an additional fee of \$15.00. As an example, for a class scheduled for May 1 with a registration fee of \$50.00, the registration needs to be in to KCAA by April 1 to take advantage of the \$50.00 early enrollment fee. For registrations received after April 1, the cost for the class would increase to \$65.00.

In the event a class reaches its maximum number of students, a waiting list will be established for that class. If cancellations occur, the first person on the waiting list will be notified that there is an opening and will be given the opportunity to attend the class. If the waiting list reaches the minimum number of students required to sponsor the class, an additional class will be scheduled.
