Used Vehicles with Previously issued certificate of title

The sale of a vehicle required to be registered under the laws of this state, without assignment of the certificate of title, is fraudulent and void, unless the parties shall agree that the certificate of title with assignment thereof shall pass between them at a time other than the time of delivery, but within 60 days thereof. The requirements of this paragraph concerning delivery of an assigned title shall be satisfied if (A) the seller mails to the purchaser by restricted mail the assigned certificate of title within 60 days, or (B) if the transferor is a dealer, as defined by K.S.A. 8-2401, and amendments thereto, such seller shall be deemed to have possession of the certificate of title if such seller has made application therefor to the division, or (C) if the transferor is a dealer and has assigned a title pursuant to paragraph (9) of this subsection (c).

New Vehicles with Manufacturer's Statement of Origin

Dealers shall execute, upon delivery to the purchaser of every new vehicle, a manufacturer's statement of origin stating the liens and encumbrances thereon. Such statement of origin shall be delivered to the purchaser at the time of delivery of the vehicle or at a time agreed upon by the parties, not to exceed 30 days, inclusive of weekends and holidays. In the event delivery of title cannot be made personally, the seller may deliver the manufacturer's statement of origin by restricted mail to the address of purchaser shown on the purchase agreement. The manufacturer's statement of origin may include an attachment containing assignment of such statement of origin on forms approved by the division

I, purchaser of the vehicle described herein, have read and understand my rights regarding the timely delivery of the certificate of title on a used vehicle or manufacturer's statement of origin on a new vehicle within 60/30 days respectively of the delivery/purchase date of the vehicle listed above. The written agreement above was made by and between the dealership and myself regarding the delivery of the assigned certificate of title or manufacturer's statement of origin. I hereby reaffirm the sale of this vehicle and therefore relinquish the right to declare this transaction fraudulent and void solely due to the assigned documents not being delivered within the allotted time frame. I am aware that this reaffirmation agreement will not forego the penalty and interest that will be assessed if the application for title and registration is not made within 60 days of the purchase date.
